Tutorials & Tips

Discover beauty made simple. Learn how to apply our products, find your shade, and create refined looks with ease. Designed for beginners and beauty enthusiasts looking for elegant results.

MATTE LIPSTICK TUTORIALS

1. Choosing the Right Lipstick Shade

Each shade creates a unique impression. Select the tone that complements your style.

Gloss (Light Nude Pink) – natural, soft glam looks

Vivid (Peach/Orange) – fresh, lively, bright makeup styles

Berry (Pink) – playful and youthful tone

Nude (Classic Nude) – versatile neutral shade for any look

Tip: Exfoliate and moisturize lips before application for a smooth matte finish.

2. Applying Matte Lipstick Properly

About Velour Glow Cosmetics

We create beauty that inspires confidence – made for all skin tones, all styles, and all people.

Our Story

Founded in 2020, Velour Glow Cosmetics began with a dream: to redefine beauty as something inclusive, empowering, and effortless. Our founders believed that makeup should not hide your face – it should highlight your individuality.

Our Mission

We aim to offer cruelty-free, sustainable, and skin-friendly cosmetics that help you embrace your glow. From rich lip tints to flawless foundations, our products are crafted to suit every shade and personality.

Our Promise

Velour Glow stands by honesty, inclusivity, and self-love. Every formula is carefully tested and ethically sourced – because your beauty deserves only the best.

Allana Rose
"Beauty isn't just about looking good—it's about feeling unstoppable." I founded Velour Glow on the simple, yet powerful belief that high-quality cosmetics should be an everyday luxury, inspiring confidence and allowing everyone to discover their brightest self. Drawing on my years in the cosmetic space, I shape the vision and strategic soul of Velour Glow.
My mission is to build a community where everyone can find their glow. It's a mark for your next great moment. I invite you to join us on this.
